

SAMPLE ITINERARY **HONDURAS - MANGO CREEK LODGE**

Day One USA-ROATAN

Plan to arrive at the airport no later than 3 hours prior to departure.

(Please advise flight schedule)

Your adventure will begin when you land at the airport in Roatan, Honduras. After clearing immigration and customs, you will proceed to the luggage area. A Mango Creek representative will meet and transfer you to the lodge. The journey will consist of a 30-45 minute ride to the town of Oakridge and then a short boat ride the rest of the way to the lodge.

Accommodations consist of cabanas set on pilings over the water. Each cabana has a private bathroom and private decks with a hammock and a swing chair. You can literally step from your deck to your boat! Meals will be taken in the main lodge, which is also set out on the water and boasts a spectacular view. Relax, dinner and overnight at lodge.

Day Two through Day Seven FISHING AT MANGO CREEK LODGE

After an early wake up call and fresh coffee, you will begin your fishing day on the local flats returning to the lodge mid morning for a hearty breakfast. Continue your fishing day breaking for a packed lunch provided on the boat at about noon. As the tide changes and the sun heats up, you typically move more to the east towards further flats. Some flats can be fished from the boat, but most are shallow enough for wading. Your primary fishing targets will be bonefish, tarpon, and permit. However, there are many other species swimming in these beautiful waters that you are likely to encounter such as snook and barracuda. Your experienced English-speaking guide will amaze you as he spots fish with his incredibly acute eyesight and you'll spend the day casting to some amazing species of fish. Return late afternoon and relax at the lodge before a dinner of fresh seafood. Overnight lodge.

Day Eight ROATAN-USA

After breakfast you will be transferred to Roatan to connect with your international departure flight home.
